## THE ADOPTION OPTION

Was your dog out running loose, having a doggie's day out? Fence blew down thanks to the Texas Panhandle winds? Kids leave the door open and the cat snuck out? Landscapers leave the fence ajar?

**Whatever the reason your dog or cat found it's way to the shelter, we have a solution for you!**

The Adoption Option is a program offered to reunite impounded pets with their owners. A firm fee of either \$95 for dogs or \$65 for cats is paid, and covers normal adoption services. (No additional costs!)

By participating in this program you will no longer have to pay any fees to the city of Amarillo for reclaims, and it will void any citations that would be issued through municipal court for this incident. (Does not include any incidents prior or previous.)

**Stop by the shelter and reclaim your pet today!**
